The SFS is happy to announce the 2018 SFS Cavalcade Asia-Pacific, jointly hosted by INSEAD, NUS Business School, and Asian Bureau of Finance and Economic Research (ABFER), which will be held December 13-15, 2018 in Singapore.

The SFS Cavalcade Asia-Pacific is a joint project of the Review of Financial Studies, the Review of Corporate Finance Studies, and the Review of Asset Pricing Studies. The SFS Cavalcade Asia-Pacific is a conference covering all areas of finance. Our goal is to provide a setting that produces the kind of in-depth participation of a smaller conference, while accommodating the breadth of topics of a larger one.

**HOW TO SUBMIT TO THE CAVALCADE: Submissions will be accepted beginning June 20 and ending August 31, 2018.** The submission fee is \$50. For papers in which ALL co-authors are doctoral students, the submission fee will be waived. Please submit your paper at <https://www.conftool.com/cavalcade-asia-pacific-2018/> during the submission period. The submitted paper must not have been accepted (or conditionally accepted) at a journal, nor have been presented (or be scheduled to be presented) at either the WFA or AFA.

Please note: Authors of accepted papers must be able to attend their session regardless of which day the session is scheduled. If an author cannot make it at the scheduled time, the conference reserves the right to pull the paper.

**DUAL SUBMISSION:** The Cavalcade features the option of requesting dual submission with The Review of Asset Pricing Studies and The Review of Corporate Finance Studies.

**JOB MARKET:** Asia-Pacific Universities are encouraged to engage in faculty recruiting activity on the side of the Cavalcade Asia-Pacific 2018 in Singapore. Please send an email to [manager@sfs.org](mailto:manager@sfs.org) to indicate your university's interest in recruiting and SFS will post a list of universities recruiting at the conference on the Asia-Pacific Cavalcade webpage shortly after they are received. Job candidates interested in those universities are encouraged to apply to those universities and to indicate that they will be available to interview at Cavalcade Asia-Pacific 2018.
